

WALDOR

Crafting Timeless Interiors
with Precision and Passion

ABOUT US

At Waldor, excellence is not just a standard, it is our philosophy.

We craft bespoke interiors and custom furniture that embody timeless elegance, precision, and durability. From superyachts and cruise ships to luxury hotels and private residences, every project is a testament to our dedication to design and craftsmanship. By blending contemporary design with artisanal mastery, we create interiors where functionality meets beauty, ensuring each detail contributes to a harmonious whole. Waldor is where vision becomes reality, shaping spaces that inspire, endure, and embody sophistication.

THE 4 DISCIPLINES of WALDOR

At Waldor, craftsmanship meets vision across four core disciplines. From the open seas to exclusive residences, we master each domain with precision, artistry, and a commitment to enduring design.

SUPERYACHT INTERIORS

With years of experience in the superyacht world, Waldor transforms visions into reality. From concept to completion, we deliver end-to-end solutions that combine design excellence with engineering precision.

Every piece is crafted to withstand sea conditions and space limitations, ensuring both durability and elegance. Wherever your yacht may be, Waldor manages production, packaging, delivery, and on-board installation to international standards. The result is a truly bespoke interior that reflects your vision and elevates life at sea with timeless luxury.

CRUISE SHIP INTERIORS

Waldor brings comfort and functionality together in cruise ship interiors designed to welcome thousands of guests. With years of experience in large-scale marine projects, we design and manufacture interiors that meet international standards and the demanding needs of the cruise industry. From newbuilds to refits, our dedicated teams manage production, global delivery, and on-board installation with precision, ensuring durable and elegant spaces that enhance the guest experience.

LUXURY HOTELS AND VILLAS

From refined entryways to elegant bedrooms, outdoor lounges, and living spaces, Waldor enhances hotels and private villas with bespoke furniture that combines elegance, comfort, and durability.

Using premium materials and masterful craftsmanship, we create versatile designs that bring timeless sophistication to every space.

INDOOR & OUTDOOR FURNITURE

Waldor designs bespoke indoor and outdoor furniture where form, comfort, and durability exist in perfect harmony. Drawing inspiration from global design trends and collaborating with renowned designers, each collection reflects innovation with a refined sense of sophistication. Crafted from meticulously selected materials and tailored to the spirit of each space, our creations transform interiors and exteriors into timeless, elegant environments.

PRODUCTION

The heart of Waldor is its production facility, where tradition meets technology. Every project begins with a deep respect for materials, meticulous planning, and expert craftsmanship, seamlessly combined with advanced digital design and precision engineering. From sourcing premium woods to perfecting finishes, we bring even the most complex designs to life with uncompromising attention to detail. Our project-based approach ensures bespoke solutions that reflect Waldor's unwavering standards of excellence.

CLIENTS

Waldor is trusted by visionary yacht owners leading cruise lines, and distinguished hospitality brands worldwide. From private villas to luxury hotels, our clients share one expectation — uncompromising quality and bespoke design. Each collaboration is a testament to our commitment to excellence, discretion, and long-lasting partnerships.
